Product Features

System

CPU	ARM Cortex-A9, 1.4 GHz Quad-Core CPU
Operating System	Google Android 4.4
RAM	1 GB, DDR3
Internal Memory	8 GB Flash
External memory	Micro SD card slot up to 64GB
Speaker	1W mono
Buttons	6 buttons
Remote Controller	Infrared

Optical Engine

Optical technology	DLP
Light Source	RGB LED
LED Lifetime	Up to 20.000h
Brightness	Up to 100 lumens
Resolution	854 x 480 Pixel (WVGA)
Contrast	1000:1
Aspect Ratio	16:9
Focus	Manual
Offset	0 %
Throw Ratio	1.2
Projection Image Size (Diagonal)	20"~120" (51~305cm)
Projection Distance	20"~126" (50~320cm)

Connections

Card slot	Micro SD up to 64GB
USB	Micro USB 2.0
Audio	3.5 mm mini jack
Wireless	802.11 b/g/n
Bluetooth	v 4.0
IR Receiver	Built-in

Product Details

Dimension	4.72"x3.94"x9.45" 120x100x24mm
Colour	White
Weight	230 g
OSD Language	Multi-lingual
Model Code	202

Power

Power Supply	Input: 100 ~ 240V AC Output: 5V, 3A DC
Battery Type	Embedded 3.7V, 3300mAh rechargeable battery
Battery Lifetime	80 mins continuous projection
Power Consumption	12W

Package Content /Accessories

Package Content	Projector, AC Adapter, US, EU & UK plugs, Remote Control, Quick Start Guide, Mini Tripod
------------------------	--
