

CINEMA X | P2

- Bright 3,000 lumens laser light source with 2,000,000:1 contrast ratio
- RGBRGB Color Wheel for Rich Cinematic Color and Stunning HDR
- Dolby Digital and Dolby Digital Plus passthrough via HDMI ARC or S/PDIF

Transform your living room into an incredible home cinema with the 3,000 lumens, ultra short throw Optoma CinemaX P2 Smart 4K UHD all-in-one home entertainment system. The laser light source, auto focus, high-performance glass lens and SmartFIT image alignment system ensure hassle-free setup that easily produces stunning 120-inch projection with rich HDR color.

Premium sound is provided by the integrated Dolby Digital 2.0 soundbar with two full range speakers, two woofers, ported chambers and 40-watts of power, delivering crisp details with superior dialogue clarity. Smart+ technology enable Amazon Alexa, Google Assistant and IFTTT support for easy integration into your smart home while the Android OS with smart TV apps and Optoma Marketplace deliver USB media playback compatibility, Internet streaming services and downloadable apps.

TapCast

Use your mobile device with the TapCast companion app to easily cast images, documents and screen share from supported devices.

Digital Art Exhibit by FRAMED¹

Bring creative expression to your home. Transform the CinemaX P2 into a digital art canvas that's brought to life by projecting curated artworks from renowned digital artists by FRAMED, a digital art canvas showcasing platform.

Ultra Short Throw

Easy place and play setup.

SmartFIT²
Image alignment system ensures hassle free setup using a smartphone.

Premium Dolby Digital 2.0 soundbar

- 2x full range aluminum drivers, 2x woofers
- Ported and isolated chambers
- 40 watts of total power
